PRAYER CORNER

From the BUGB Prayer Guide: A prayer for refugee week, adapted from a prayer written by Noah, a refugee from the Democratic Republic of Congo.

Dear God

No one is a stranger to you and no one is ever far from your loving kindness. We pray that you will watch over migrants, refugees and asylum seekers. Please Father God, help us also to always show your kindness to strangers. We ask this through Christ our Lord, who too was a refugee.

From BMS World Mission: Third culture kids (TCKs), like those of BMS workers abroad, live rich and fulfilling lives in communities all around the world that are home to them. They hold passports that define their legal identity, but hearts that will tell you a very different story. This dual identity can be challenging as well as exciting. Let's pray for them this week as they go about their abnormally normal lives.

Safe to Grow Policy

As a Church we take very seriously the care and protection of all children and young people who are involved in our Church-based organisations and all those who work with them have been through the "The Safe to Grow" programme. A copy of the policy, together with the address and telephone numbers of the two advocates, is displayed in a prominent position throughout the church premises.
