PRAYER CORNER

From the BU Prayer Guide: This week pray for the Yorkshire Baptist Association as they strive to ‘Grow Healthy Churches – through mission, through relationships, through partnerships and through training and mentoring’. The Association has over 100 churches divided into 7 regions.

From BMS World Mission Prayer Guide: BMS works with partners to provide access to justice and advocacy. Advocacy is often described as speaking truth to power and there is no better way of doing effective advocacy than bringing practical and systemic problems before the King of Kings in prayer! Pray for just outcomes and sustainable peace in Syria. Please pray particularly for the inclusion of refugees displaced by the Syrian conflict.

Safe to Grow Policy

As a Church we take very seriously the care and protection of all children and young people who are involved in our Church-based organisations and all those who work with them have been through the "The Safe to Grow" programme. A copy of the policy, together with the address and telephone numbers of the two advocates, is displayed in a prominent position throughout the church premises.
